

GSMA Fall Symposium

Physicians, medical students, residents,
& aspiring physicians.

Saturday, November 7, 2020

10 AM

Join us for this informative and energetic symposium with legislators, medical students, and physicians to discuss the future of health care in Georgia.

Dr. Ericka Russell-Petty
GSMA President

Learn how you can be more involved, how to pursue a career in medicine, school requirements, and what you can do to mentor others.

Ms. Kendra Moore
Medical Student
Program Moderator

Hear from current medical students, residents, physicians, and state legislators.

Savannah Mayor
Van Johnson

Stay for the new GSMA website launch, state award presentations and more!
